## FEATURED BENEFITS:

- ☑ Excellent short game green.
- ☑ Accepts shots from up to 100 yards away.
- ☑ Stimp speed can be increased by adding sand infill.
- ☑ The preferred putting green product for serious golfers.
- ☑ Optional pad underlayment enhances performance.

## SLIT FILM TECHNOLOGY

Durable fibers split and create a putting green that truly resembles the type of bent grass green one would see at signature courses.
