MAPEI ULTRA BOND ADHESIVE

Specs

Available in 1 gallon pail

Recommended to be used with Mapei Tape

Fast setting time with excellent handling characteristics and strength

Light color

Meets FIFA standards

Features

Ultrabond Turf PU 1K is a fast-setting, moisture-curing, one-component, urethane adhesive specifically designed for bonding of synthetic turf in high-performance sports installations. Offering excellent weather resistance, Ultrabond Turf PU 1K can be used in interior and exterior applications. It meets FIFA requirements for bond strength in sports-turf applications.
